

Haliburton Winter Carnival promises action for everyone

The Haliburton Winter Carnival scheduled for the weekend of Friday, Saturday and Sunday, February 21-22-23 will have something for everyone. Nothing has been overlooked in the committee's search for the ultimate in winter sports and entertainment. There will be something for each member of the family from the young tots up to the adults.

In past years everyone has kept yelling that there is not enough snowmobile activity. Well this year this problem has been taken care of as the snowmobile committee have been working around the clock lining up snowmobile events.

On Sunday of the carnival the Lake Kashagawigamog Tourist Association will be staging a timed snowmobile rally and the Sunday activities will also feature drag races and novelty races at the Rotary Beach.

Sunday will also see the appearance of the famous Canadian Parabolic Sky Diving team who will be performing over Head Lake.

Something new has been added to this year's outdoor activities and this is kite flying on Head Lake both Saturday and Sunday sponsored by British West Indies Airlines.

This year's parade on Saturday afternoon will be the biggest and best ever and already an outstanding group of floats has been entered.

If you like to dance your opportunity is coming up as many big dances are being lined up backed up with some terrific dance bands.

Let us not forget the hockey fans and what an outstanding display of hockey action will be featured when on Saturday hockey players from all parts of Ontario will be here to participate in the Alcide Carpentier Memorial Hockey Tournament. In the evening starting at 8 p.m. the Haliburton Travelways Huskies Junior "D" team will be meeting league leading Lakefield in a regular scheduled Central Ontario Junior hockey game.

Saturday night will also be fireworks night and once again the huge bonfire will be lit and the sky will be all in color.

From here on into Carnival weekend we will be filling you in on the many outstanding events and activities that are being lined up.

Pictured above are the Junior and Senior Snow Queens of the 1975 Minden Kinsmen Winter Carnival held in Minden over the weekend. They were selected from a field of 64 girls who entered the contest. On the left is the Junior Snow Queen Janet Brohm of R.R. 1, Norland and on the right the Senior Snow Queen Kim Simmons of R.R. 2, Minden. The contest took place on Friday night before a very large audience at the Minden Arena.

Winter Carnival largest ever held in Minden

The Minden Winter Carnival is over for another year and what a success it was. Everything went off smoothly under ideal winter weather conditions and the parade on Saturday was one of the largest the Minden Winter Carnival has ever had.

The Carnival began Friday night with a broomball game, Alton Movers 3, O.P.P. 0.

Following this was the Snow Queen and Princess Contest. With M.C. Willis

McNeilly introducing each of the 34 entrants in each group, this took some time. However the judges made their selections each time with a final elimination "walk-about".

Jr. Queen Karen Warburton of 1974 presented her hat and cape to 1975 winner Janet Brohm and runners up were Laurie McKnight, Sherry Walker, Georgina Anderson, Shelly Bell and Debbie Stribling.

Senior Queen Lesley Freeman of last year

presented her cap and cape to 1975 winner Kemberley Simmons and princesses were Louise Fleming and Jackie Gough.

Presentation of flowers was made to top winners by figure skaters Carolyne Koval, Tammy Short, Dawn Elliot, Betty Jo Clayton, Lisa McCloskey and Janet Fitchett.

This contest was well organized by Norm Harrison Jr. and assistants Ruby and Milly Windsor.

Judges for this selection

were Doreen James, Mr and Ms G. Wagner, and Mr W. Prochenko.

The large crowd very warmly welcomed all the contestants and many stayed to cheer on our Monarchs to a hard-won victory over Elmvale or had a visit in the Beer Garden while the younger crowd enjoyed the Sock Hop at the Public School with music by Ian Cook D.J. of CKLY.

Saturday was a lovely day, cool, but sunny. Following the Super Parade Sports continued. The Official Opening was at the Recreation Hall and the Snow Queen, Jr Queen and princesses were in attendance. The Figure Skating Club gave a fine display of their talents, either in groups or solos. Outside were the drag races, the sleigh and cutters drawn by horses and the log sawing contest. A helicopter was there and many people had rides on this or on snowmobiles or sleighs or the cutter.

For anyone with an appetite the Chuck Wagon and Snack Bar were equally busy and at one place you could warm up beside a fire. Everyone was in a holiday mood and seemed to be enjoying their favourite sport.

At various times during this weekend you could see

the levels of minor hockey from the smallest ones through to the largest. Our arena is a busy one with the schedule board in the lobby listing times and teams playing as well as figure skating and open skating. The moccasin dance at night had a goodly crowd enjoying a step on the ice surface.

Sunday was yet another fun-filled day and weather beautiful but cold. The church service in the arena had a large crowd. The tug-of-war was fun and then the first-time horse drawing in winter. Broomball followed this with Alton Movers taking the trophy.

The fish derby had their contestants bring in their catch to be weighed. Then the CKLY - Kinsmen Broomball Game - another time for some laughs - still don't know who won. Saturday and Sunday there had been races at various levels for snowmobiles and anyone interested could spend a good deal of time watching these. Also there had been snowshoe races and many competed in these.

This has been a very successful weekend with events to suit everyone and those in charge were to be congratulated on having planned and carried out a very eventful Winter Carnival.

Snowarama raises over \$17,000

Undaunted by thin ice and heavy snow, workers of the Haliburton County Snowmobile Association and the two Rotary Clubs in the area were determined to pull off the event on schedule. Riders were busy from mid-week checking ice thicknesses, breaking and grooming trail, and packing snow across the numerous slush patches.

Elsewhere Snowarama officials were postponing the ride to February 16. This led to some confusion. An unknown number of riders, after hearing the cancellation announcements on radio and television, assumed the ride to be off here also and didn't show up. However, 196 snowmobilers did. They carried pledges averaging \$90 per rider for a total of \$17,667.

Of this total, a small amount will be drawn off for payment of bills, which

should not be high for as much as was possible was done by volunteers and contributed services, and the net proceeds split between the Ontario Society for Crippled Children and the Haliburton and Minden Rotary Easter Seals Clubs.

As was expected, the greater number (121) started out of Minden, having been there for the Kinsmen Winter Carnival. Highest Minden pledge sheet for the Alberta Distilleries Trophy was \$685. Highest from Haliburton for a similar award, \$815.

The day, Groundhog Day, dawned bright and about twenty below. There were reports of minor frostbite among early starters. But as the day progressed, and the cold became endurable, it was evident that even 20

see page three

The Haliburton Winter Carnival is just two weeks away and final plans are now underway to make it the biggest winter extravaganza in Haliburton's history. The Winter Carnival which once again will be sponsored by the Rotary Club of Haliburton amongst its many

attractions will be plenty of snowmobile activities on Head Lake. The above photo shows some of the action on Head Lake at last year's winter carnival. Plan to be in Haliburton for the big event, February 21 - 22 - 23. Photo by Dal Hubbert.

haliburton News Letter

The Fenelon Falls Intermediate "C" hockey team which plays in the same league as the Minden Monarchs has been struggling of late. This same team was in first place just recently, but they have dropped four straight games that included defeats at the hands of Bracebridge, Minden and two by Elmville.

Scotty LaRue has returned home following a visit to meet his old friend Curry (Pork) Whittaker at Winston-Salem in the U.S.A. Scotty told us the other day that he had the opportunity to watch two hockey games in which the Winston-Salem Polar Kings were involved and that it's a real good brand of hockey. Pork Whittaker is the trainer of the Polar Kings.

A benefit dance for the children of the late Jean and Lawrence Dagg was held in Lindsay recently. Mr and Mrs Dagg were both killed in a car accident near Miners Bay.

February is heart month and a national fund raising campaign is conducted annually during the month of February. The 1975 national objective is \$6,000,000 with Ontario being responsible for \$3,600,000. This month here in Haliburton County a canvasser will be calling on you to give to this most worthy cause. Heart disease is everyone's problem, research should be everyone's responsibility.

A benefit dance for Bill Mackie and family whose home and belongings were destroyed in a recent fire was held at the Royal Canadian Legion Auditorium in Haliburton last Friday night. It was sponsored by the Royal Canadian Legion and the local musical group "Summer Fantasy".

The Rotary Club held ladies night at the Minden Community Centre on Monday evening, January 27.

According to a recently published Gallop Poll, 77 percent of Canadians approve "the growing tendency of governments to protect people from themselves through such things as the use of seat belts, compulsory warning signals on cars, life jackets and other things of that nature." Of those polled in Ontario, 72 percent voiced approval. Government claims to the contrary, the Ontario Safety League is encouraged by the poll and concludes that Queen's Park decisions on such matters as safety belt usage must have been governed by a loud vocal minority.

The Minden Winter Carnival is over and now all eyes will be on Haliburton and their Annual Winter Carnival which will be held on February 21 - 22 - 23.

A member of the Haliburton County Snowmobile Association was telling us the other day that it would really be encouraging for the association if more local people were members. It seems that the biggest percentage of the membership is from outside the county. It would seem that the local snowmobilers are willing to sit back and reap the benefits made by the association, but they don't seem to want to fork over the money to join.

During a question and answer period following a recent address by Bill Scott M.P. at the Haliburton Rotary Club the fact was brought up that there is one civil servant for each and every eight Canadians. What do you think about this.

Along the Trails

By Roy Bates

This will be short and sweet, short because I can hardly lift my arms after yesterday's ride, and sweet because it contains some good news.

Snowrama went over as a whopping success. For details see elsewhere in this paper. For this column I will only relate my personal observations.

Twenty below was almost too much for my snowmobile. It didn't want to start, so I used the time proven method of a little raw gas in the carburetor. Which, naturally at that temperature, flooded and fouled everything up. Instead of starting the ride at seven-thirty we were on the way two hours late. From Haliburton we were a group of three, my wife Jean, our nephew Don Pasquino, and myself, carrying nearly six hundred dollars in pledges collectively.

We found the trail very good to Minden but from there on the traffic ahead of us had reduced all overland sections to a complete mess. Razor-back moguls and spine-jarring holes. On Twelvemile, Don broke a drive-chain. We left him, out of the run, or so we thought! But, after losing more time to replace a bogie spring in my machine, and digging Jean out of a slush hole, we were pleasantly surprised when Don caught us at the lunch stop on Hall's lake. He had made emergency repairs and was back in the ride! We were given the doubtful honour of coming in last at Haliburton, 7:40 p.m. We understand one group of Minden riders didn't make it in until nearly an hour later. We are more than pleased that everyone who started made it back. It seems that two machines were left behind, but their riders made it!

My wife Jean and I wish to thank all those who sponsored us.

Trail clearing and grooming operations on the dry land trails covered by the H.C.S.A. Snowplan '75 is progressing nicely. The Tractor Road, Donald to the Old Buckhorn has been completed, as has the Stanhope trail in the Hall's Lake area. Work continues on other sections.

Come to the H.C.S.A. dance, Friday February 7 at the Legion.

Highland Grove resident opens psychological practise

Although originally a native of Toronto Dr. Carter is no stranger to this area. He has owned a summer farm near Highland Grove for about 10 years. He, his wife Jean, and his 13-year-old son, George, lived there last year looking after a small herd of cattle. At the same time he opened his psychological practice in Bancroft, in an office above the Home Hardware Store.

Dr. Carter, a former grade school teacher and school psychologist, because of a service incurred rheumatic heart condition, has taken an early disability

pension retirement. This is to avoid the stress of a regular position requiring too much travel time, and too tight a work schedule. He now resides in Cardiff where he has easy access to his Bancroft office.

During the 2nd World War he served in the Royal Canadian Naval Volunteer Reserves as a Wireless Telegraphist, and later after a medical discharge, as a British Admiralty Local Inspecting Officer in the United States of America. After the conflict he used his Department of Veteran's Affairs (D.V.A.) credits to

further his education. He obtained an Honours B.A. and an M.A. in psychology from Canadian Colleges and recently his Doctor of Psychology from a British College.

After obtaining his Honours B.A. from the University of Western Ontario he spent a summer as a psychological intern at the Orillia Ontario Hospital School. After this he attended the Toronto Pape Avenue Normal School. Following five teaching years he obtained his M.A. from the University of Toronto and took a position

as a psychologist at the Smiths Falls Ontario Hospital School. While at Smiths Falls he redesigned the hospital school system and did some of the earlier work and studies (1952) regarding the slow learning child afflicted with perceptual learning difficulties (minimal brain damage). He was licensed to practice psychology in 1963 in Ontario.

For about 14 years Dr. Carter, as a school School Psychologist, aided the child, teacher, and parent regarding learning problems, as well as behaviour and emotional difficulties.

This involved helping the teacher design a program for the classroom which would be effective in motivating a child to learn and achieve close to his capacity and to behave in a way acceptable to his fellow students, friends, and adults. Similarly he worked with the parents of the child as a counsellor in sessions (sometimes involving the pupil and/or teacher) to improve behaviour and happiness in the home situation. Brochures and booklets etc. were provided by Dr. Carter as a ready reference for the parents and teachers in carrying out a program between counselling sessions.

Presently, since his services are not yet covered by OHIP, Dr Carter's fees are

on a cash basis with of course the option of paying a bill in arranged instalments. However there are several health care programs which will return a certain percentage of the cost of psychological services to a client. Chief among these are the Blue Cross Extended Health Care Plan and the CUMBA Comprehensive Medical Protection Plan. In addition to these organizations there are about a dozen insurance companies which provide varying degrees of reimbursement for psychological consultation. About half of these companies require a person to be referred to the psychologist by his physician. The names of these companies can upon request be readily furnished by the Psychologist.

Wilberforce hockey teams enjoy playing

Lots of good hockey games this week. Some of the scores are very one-sided, but the hockey was good and the boys had a lot of fun. To me, this is the idea of hockey, to make sure the boys are enjoying it.

January 28 - Midgets against Minden in Wilberforce with a score of 15-3 for Wilberforce. The Midget Stars this week were Bart Barnes, Randy Barras and Henry Anderson.

February 1 - Our Bantams

played an exhibition game against Agincourt in Agincourt with a score of 6-0 for Agincourt. Our boys were billeted with hockey players in Agincourt on Saturday night. On Sunday they had a tour of the Civic Centre in Scarborough and then home.

This is a great experience for our boys and hope they all really enjoyed themselves.

We are not picking stars from the Bantam team this week as all the boys played

really well.

January 27 - Pee Wees against Haliburton in Haliburton with a score of 5-1 for Wilberforce.

January 31 - Pee Wees against Minden in Wilberforce with a score of 4-3 for Wilberforce.

February 2 - Pee Wees against Minden in Minden with a score of 3-1 for Minden. The Pee Wee stars were Doug Tallman, Mark Kennedy and Lyle Plumlet.

No games for the Atoms this week.

January 27 - Novice against Haliburton in Haliburton with a score of 0-0.

February 1 - Novice against Haliburton in Haliburton with a score of 3-2 for Wilberforce.

The Novice stars this week were Don Meharrie, Michael Rutter and Lyle Coghlan.

Comments from some of our fans:

"Very disappointed that some parents are still not supporting their sons hockey games."

"Very happy to see all our boys participating in and enjoying good clean sport."

"I am glad to see the parents and fans of our bantams accompanying and supporting them on their trip to Toronto."

This comment is from Dave Edney who arranged this hockey exchange for our Bantams and the Haliburton Pee Wees. The Agincourt Lions Hockey League were very proud of the sportsmanship displayed by the Wilberforce and Haliburton teams, hockey needs more of this and more coaches like these men."

Everyone is getting interested and enthusiastic about the father and son games, so don't let us down fathers!

From Haliburton, Wilberforce

Teams visit Agincourt Lions

By Roy Scott

On February 1 and 2 the Haliburton Pee Wee House League team and the Wilberforce Bantam team were the guests of Agincourt Lions Hockey Association.

The boys arrived in Toronto at 12:30 p.m. in time for a get acquainted luncheon held in the Lions Club. Following this the boys returned to the homes of their hosts for the afternoon.

At 6:00 p.m. the teams squared off for some fine sportsman-like hockey. Haliburton lost to the Agincourt team as Wilberforce did also. The boys played very

well and enjoyed the keen competition.

Following the game there was an exchange of Agincourt hockey pucks and Haliburton hockey crests.

The boys returned home with their partners and enjoyed many varied activities during their stay Saturday night and Sunday morning.

Sunday morning a tour was taken by the teams through the new Scarborough Civic Centre. After this the teams returned home.

This whole venture would not have been possible without the help and support of all the parents. A

special thank you to the parents from both communities who drove. A special thanks also goes to Ward Clark and Howard Anderson for taking the Wilberforce team and to Murray Anderson who greatly assisted me with the Haliburton team.

We are looking forward to the return of these teams to Haliburton in March at which time we can return the tremendous hospitality we enjoyed in Toronto.

Winter Rally will pass through Haliburton area

The British Empire Motor Club of Toronto has revised the format of the 23rd running of the annual Canadian Winter Rally to produce an even tougher contest for the 75 Canadian and American crews that will take part in the rally classic next month.

Recognized as one of Canada's major motorsport events, the Winter Rally will deviate from its usual two day, 1000 mile format through Southern Ontario. This year crews will face a 27 hour, 700 mile contest with only a short meal stop at the half-way mark. The heart of the rally will be 24 specially timed stages varying in length from two to 22 miles. These special stages are run against the clock over private and public roads that have been specially closed for the rally.

Leading the cars away from the Toronto start will be the Datsun crew of Randy Black and Tom Burgess from Vancouver, followed by Gary Neil and Don Ramsay from Toronto, also in a Datsun. Next will be five time Canadian Rally Champion Walter Boyce,

with Robin Edwardes, from Ottawa in a Toyota, followed by three time Winter Rally winner Jean Paul Perusse from Montreal, with John Bellefleur from Toronto, in a Fiat. Rounding out the first five crews will be Americans John and Vicki Buffum from Vermont in a Porsche Carrera. The rally will start from Scarborough's Centennial College on Warden Ave., just north of Eglinton, with the first car due to leave at 9:00 a.m., Saturday, February 8. Cars will head north from Toronto to the first special stage at Canadian Forces Base Borden, near Barrie, before turning eastward to the Haliburton Highlands, Algonquin Park, and Kawartha Lakes areas. The main part of the route will be centered in the Bancroft area, and then crews will head south through Lindsay to the finish back at Centennial College. The first cars will be due at the finish at approximately noon on Sunday, February 9.

The 23rd annual Canadian Winter Rally is the fourth round in the 12 event Castrol Rally Championship.

Huskies down Ti-Cats

On Saturday night the Huskies completely controlled the game against the Bobcaygeon Tie Cats and came up with a 9-1 win. Haliburton goal scorers were Larry Robinson with three, Floyd Henry with two, Rick Wood with two and singles going to Tim Curry and Bev Hicks.

On Sunday the Huskies travelled to Bancroft for a very important game against the Jets. If they won they would move back into second place and put

Bancroft into third. The TravelWay Huskies came away with a 7-5 win. Everyone played very well with strong efforts going to Roger Bain with three goals, John Welch, Bev Hicks, Rick Wood and Larry Laporte with singles.

This Saturday the Huskies will host the Newcastle Orono Combines, game time will be 8 p.m.

Also starting this Saturday night the Huskies will be back the "Shoot to Score" game.

Snoworama from page one

below couldn't tighten up all of the slush. Trail patrols were kept busy re-routing the track around slush holes that on some lakes reached seat deep. Surprisingly few riders actually got stuck in it.

A rumour circulated for a time that one rider had gone through the ice on one of the lakes. This was proven untrue (it must have been slush) when all riders came in safe and accounted for. A small number of machines broke down on the trail, but

all except two or three were repaired and continued the ride. Not one pledge was lost for even those who lost their mounts managed somehow to complete the trip.

The Haliburton County Snowmobile Association, the Minden Rotary Club, the Haliburton Rotary Club and Whipper Watson extend the most sincere thanks to all who participated in the ride, or helped along the trail. A special thanks to the thousands who made pledges for Crippled Children.

Minden OPP report

Four people charged with impaired driving

The Ontario Provincial Police, Minden Detachment report the following activity from January 27 to February 3. There were 72 general occurrences reported and 13 motor vehicle collisions. There were four Liquor Control Act charges laid, eight Motorized Snow Vehicle Act charges laid and four persons charged with impaired driving.

An accident occurred on Thursday, January 30 at 5:05 p.m. on Highway 121 in the Haliburton area when a vehicle driven by Caroline Stamp, 16, of Tory Hill was stopped in the westbound lane. A vehicle driven by Carol B. Madill, 37, of Haliburton was backing onto the Highway. The Madill vehicle struck the Stamp vehicle on the left side.

Damage to the two vehicles was estimated at \$225.00. Carol Madill has been charged with failing to yield right of way.

Damage was estimated at \$700. in an accident on the main street of Minden which occurred on Saturday, February 1. A car driven by Frederick D. Thorn, 21, of 960 Vistula Dr. Bay Ridges, and a car driven by Paul D. Warburton, 22, of 2859A St. Clair Ave., Toronto were both northbound on the main street. The Thorn car slowed and stopped for a vehicle before making a turn to County Road. The Warburton car collided with the rear of the Thorn car.

The accident was investigated by Constable T.R. Brown of the Minden OPP.

The Reeve's Corner

By Reg Booth

Well, the Winter Carnival is over for another year, and congratulations are in order to those who gave of their time and effort to make it a great success.

The weather was just perfect throughout the weekend, but the most important part of all must be the many people who visited with us, and the many summer residents who made an effort to be a part of the Winter Carnival. Without these good people we could not exist. We must therefore say "THANK YOU" to all of these for the tremendous support and participation.

Of prime importance in life are the friends that we are able to make, (and keep) during our short stay on earth. The Carnival is a place where we are privileged to make friends and also to renew old friendships.

Let us therefore dedicate ourselves anew today, and pledge an honest effort to deserve this friendship in 1975 and resolve to try harder during the summer ahead to be good neighbours, and above all to be good FRIENDS, to all our visitors and summer residents. Remember that many of these good people help to educate our children, and make it possible in many ways for us to live in such a wonderful area such as Haliburton County.

Remember that our FRIENDS are the only thing that we can take with us when we go.

Editorials

Local citizens should support atom tournament

The Lake Kashagawigamog Atom Hockey Tournament held in Haliburton two weeks ago pointed up a few problems that must be remedied for another year.

The tournament itself was a great success and the many visitors who came here were pleased with the wonderful weekend that they had participated in.

This three-day tournament, the largest ever held in Haliburton County, brought many people into the area for the first time and it meant a big boost to our local economy thanks to the Lake Kashagawigamog Tourist Association and the Haliburton Minor Hockey Association.

Everybody seemed to be excited about the tourney with the exception of the citizens of Haliburton and area who it seems couldn't care less. Local fan participation at the various games played was practically nil and only eleven people from Haliburton turned up at the get acquainted dance on the Saturday night in the arena auditorium. From a local point of view this was a poor showing.

We didn't look for capacity crowds at every game, but one would have thought that at least the final game on Sunday afternoon would have filled the building.

The tournament will be on again next year and we hope that the local citizens will rally to the call and support what we think will be one of the largest winter attractions of them all.

Time for a new building

We understand that some major repairs are needed at the municipal hall in Haliburton. Surely to goodness the council isn't going to spend any more money on this old building that has seen its better days.

It seems a shame that the staff is asked to work in offices that are crowded and in a building that should be taken down. What an effort it is for the older people to have to walk up this high flight of stairs from the ground level to the administration offices. They shouldn't have to do it.

At the present time we might point out some of the Municipal buildings in Haliburton County. Minden has a beautiful new building, Monmouth has started to commence construction on a new municipal office, Lutterworth has purchased the former school which is a well-built building and we also understand that the Township of Stanhope is looking into the possibility of having a new

municipal building.

Dysart the largest municipality in the county before long will be the only one with an old antiquated building.

Now is the time for the local council to get with it and start making plans to tear the old building down and to start construction on a modern new building on one main floor with a new fire hall included for the fire department.

This is 1975 - a time for this municipality to come alive.

Give from the heart --to help the heart

Over the years, Canada has shown the way to the world in many aspects of medical research. It was here that insulin, the lifeblood of the diabetic, was discovered; it was here that the Salk vaccine for poliomyelitis was developed.

We should be proud that we have in Canada, doctors and medical scientists who can provide the leadership, inspiration and imagination to the world of medicine. Today, many of these men and women are engaged in an all-out fight against heart disease. They are fortunate to have at their disposal the facilities of our medical schools which are among the finest in the world. Already much of their effort has been crowned with success. Research on heart disease in Canada need know no bounds, unless it is limited by the lack of funds. During this month, February, the Canadian Heart Fund is conducting a drive to ensure that the research may continue un-interrupted. Funds are needed to meet expenses incidental to the work and to maintain the doctors and medical scientists on fellowships.

All of us have a vital stake in the fight against heart disease. Our support of the Canadian Heart Fund will help our medical scientists to conquer yet another enemy of mankind.

Remember: Give From The Heart - To Help Your Heart!

Letter to the editor

Mr Editor

This is an open letter to Mr William Scott member of parliament for Victoria and Haliburton.

Mr Scott this letter is to you and if I am taking a poke at you and the government of the day, it is without prejudice. I am a firm believer in Democracy and as an elected member of this area, you have been sworn in office to make Democracy work.

A few days ago Mr Trudeau stated in a speech that our country was ill and racism is rearing its ugly head. And nobody trusts the government anymore.

Mr Scott, a few weeks ago you gave a speech at the rotary club in Haliburton, explaining the controversial pay hikes for members of parliament. What did you tell the people?

Mr Scott as member of parliament can you tell the people the truth about what really is happening in this country?

Can you tell the people if the reopening of the mines in Bancroft, is to make work, to help mankind, or to make bombs?

Will the selling of atomic reactors to countries such as south Korea be a boost to our economy? And at what price?

Can you tell the people Mr Trudeau's philosophy on life? And where he is taking this country?

Mr Trudeau stated, that Watergate has polluted the minds of the people and nobody trusts government anymore. Poppycock!

In the last few years one or another form of government all over the world has toppled because of social unrest. Watergate belongs to

the Americans. What has happened to other countries is because of moral breakdown all over the world. Canada's problems are very obvious. What this country needs is a spiritual revival. We have to get back to the basics. Nobody seems to care about his fellow man anymore. Greed is the problem. Greed is breeding violence and violence breeds a sick society. Equality does not exist, we have one law for the rich and one for the poor.

We have a government that allows the brewers to brainwash the majority into believing to come home to their beer.

We have a government that allows the medical profession to pass out pills like candy.

We have a government that allows lawyers to twist every law to suit their needs.

Abortion has become the means to rid the unwanted mistake of a few hours pleasure.

The government allows organizations like Rex Humbards to solicit the poor, the sick and the poor in spirit, through the mail. And ask for huge amounts of money to have Rex pray for them.

This government is causing the breakdown in families by allowing the financial institutions to install a mass credit system, trapping people into living way beyond their means. Therefore forcing both martial partners to work, leaving the children to fend for themselves without direction. With the heavy financial load on most people, they turn to alcohol and drugs and the courts decide what is best for the children.

The degradation and turmoil goes on and on while people try to decide what is right from wrong. Honesty is sneered at because

you can't cut it.

Mr Scott I am urging you to ask the Prime Minister what is really happening in Canada. Please, before it is too late.

Sincerely in Christ
Albert Cameron

Pic of the Past

Our Pic of the Past this week takes us back to the year 1912 and a view of the Gull River in Minden. Many changes have been made along this river since that time and the old wooden

bridge shown in this picture has now been replaced by a new modern bridge. Thanks to Richard Kirkwood of Minden for letting us use this photo.

George Brooks

Longtime Haliburton resident dies

George Brooks, formerly from Haliburton, grew up among the Indians, 110 miles north of the railroad. Mr Brooks was born on the north shore of Lake Temiskaming in April, 1901. His family was among the first settlers in the area; his father and mother went into that country in 1891.

"Those were the happiest days," he would say. "You never knew what day it was till someone drifted in."

The Indians helped the family get settled and build the log cabin that stood on their 320-acre plot. Later the area was surveyed and the Brooks family plot was split - buildings on one section, cleared land on the other. They were given the choice between the two sections, and chose the one with the buildings.

One of his four brothers and one of two sisters, attended the one-room school house which was built in the area in 1895.

The town, called New Liskeard (formerly Thornloe), grew until it bordered the Brooks farm. As the town grew, the Indians moved away.

He remembered the winters as being very cold, with deep snow, and the children wore snowshoes. Firewood was used to heat the cabin, and one tree the family cut down measured seven feet in diameter.

Mr Brooks remembered the good times he had with the Indians. "They were a nice bunch of lads, very nice,

a bashful sort. It took awhile to get to know them, but once you got to know them you were their friend."

Mr Brooks father formed and worked at Booth's Lumber Co. during the winter.

Mr Brooks, with his wife Grace, moved away when the Great Depression came. He worked first at LaMaque gold mine in Quebec before his son's illness forced the family to move to Toronto.

Following Toronto, they moved to Haliburton where Mr Brooks was proprietor of the Beaconbrook Hotel from 1953 to 1968. They moved to Newmarket nearly six years

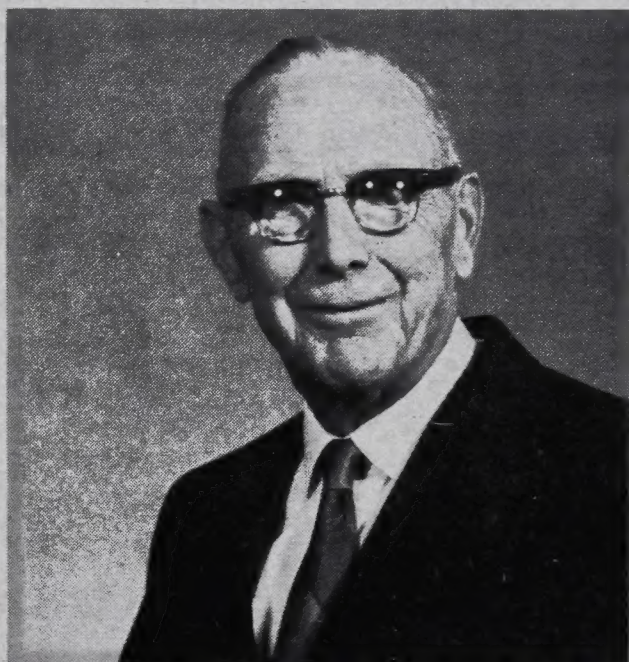

ago.

On Wednesday, January 22, 1975, George Brooks passed away at York County Hospital, Newmarket. He was 73 years old. He was the beloved husband of Grace Ellen Cooper, and dear father of Grant of Toronto, Reginald Stephen of Haliburton, and the late Marjorie Ellen; also survived by five grandchildren, brother of Charlotte (Mrs A.J. Anderson) of Toronto and Mrs Etta Baker of New Liskeard. The family received friends at St. Paul's Anglican Church, Newmarket, after 2:30 p.m. on Friday, January 24. The

funeral service in the church followed at 3:30 p.m., conducted by Rev. J. Small and Mr Ron Cooper of St. Paul's Church, Midhurst. The Lord's Prayer was sung by his daughter-in-law, Mrs Evelyn Brooks, of Haliburton.

Honorary pall bearers were A.J. Anderson, of Toronto; A. George Cooper, of Charlton; E.A. Cooper, of Swastika; N.E. Cooper, of Anaping; and R.G. Cooper, of Sault Ste. Marie, Ontario. Plans are being made to have Mr Brooks ashes interred in the family plot in New Liskeard.

Because Mr Brooks' parents were among the first pioneers of the north, he was writing a book about his childhood experiences, prior to his death.

George Brooks

Men are convicted of poaching

Lindsay District Conservation Officers are continuing their patrols and law enforcement activities through the winter, as well as during the fishing and hunting seasons. This is borne out by the number of charges which have been laid recently by the officers.

Among the number of charges were those against three men, each of whom was charged with knowingly possessing game hunted in contravention of the Act and regulations, as well as, the illegal shipment or transportation of game killed in Ontario during the closed

season. Each of the men pleaded guilty to one of the charges, and each was fined \$250.00.

Patrols and other law enforcement activities will be continuing throughout the balance of the year.

The log sawing contest proved to be a very interesting event at the Minden Kinsmen Winter Carnival. Shown above is Earl Hewitt

of Minden timing one of the contestants in the contest.

The Hyland Crest Senior Citizens Home in Minden always shows up with a beautiful float in the Minden Winter Carnival Parade. This year was no exception as they did it again with hours of work on this beautiful float that is pictured above.

The Bobcaygeon Kinsmen Club was on hand at the Minden Kinsmen Winter Carnival held in Minden over the weekend and had this beautiful float in the parade. Thanks to the Bobcaygeon Kinsmen for coming this far with their entry.

The Haliburton Highlands Guild of Fine Arts deserves a great deal of credit for the work that they put into this float that was on display in the Minden Winter Carnival parade held in Minden on Saturday afternoon. It's a good one as the picture proves.

Stackhouse most efficient Penguin despite injury jinx

After two months of the National Hockey League season, Ron Stackhouse was the most efficient player among the Pittsburgh Penguins.

He hasn't done anything lately to affect his plus-12 status. The reason is simple. The 6'3", 205-pound defenseman has been frustrated by a nagging foot injury that had left him sidelined for more than two weeks. He's back in action now after his layoff.

Stackhouse was chasing down a loose puck fired into the Penguin zone early in a home game against Buffalo when he fell.

"I don't know if there was some junk on the ice or what happened," Stackhouse said.

Sliding along the ice, he stopped in a collision with

the boards, the rear support post of his skate jamming into his left heel.

The end result was a painful ankle bruise, caused by the impact, and when it failed to heal after several days, doctors placed the foot in a cast.

It can be considered a freak injury, but also one that Stackhouse has experienced before.

"Everything is identical to an injury I had with Detroit," he said. "There were only a couple of games left in the season. During a scrimmage, somebody knocked my feet out from under me. I can't remember which foot was hurt."

What Stackhouse remembers clearly is that the pain stayed with him two months into the off-season.

Stackhouse, in his eagerness to return to the Pittsburgh lineup, probably slowed his recovery.

"I skated for a whole practice," he said. "When I took the skate off, the ankle was swollen. The doctors thought I'd keep aggravating it, so they put the foot in a cast."

The injury was especially disheartening in that Stackhouse has his game together after an unhappy stay with Detroit, which dealt him to the Penguins nearly a year ago in exchange for Jim Rutherford and Jack Lynch.

Coincidentally, another injury may have influenced his departure from the Wings.

"I was really fortunate," Stackhouse explained. "For the first three or four years

in the pros, I never missed a game. Then in an exhibition near the end of training camp last year with Detroit, I hurt my knee."

Laughing, Stackhouse recalled the injury occurred when he collided with Rick Kehoe, now his teammate with the Penguins.

"This is where my trouble started in Detroit. I missed the first 10 games and the team got off to a brutal start."

"When I came back, I guess I was supposed to be a savior, but I was a month behind everybody else. One guy just wasn't going to turn things around."

A defenseman with a yearning to involve himself in an occasional offensive play, Stackhouse felt restricted with the Wings.

"Some teams like to coordinate everybody's style, which is okay if it works," he said. "Playing strictly defense kind of dulls your whole game, knowing when you get the puck, you've got to dump it to somebody right away."

"Here, if you're getting the job done, you can do your own thing."

Stackhouse has accumulated his plus-12 figure by combining efficient defensive play with five goals and 11 assists. He seems assured of surpassing his personal NHL high of 34 points set two years ago with Detroit.

The Penguins certainly welcomed his return as their defensemen were falling by the wayside at an alarming rate.

Real Estate Board Meeting

The Lindsay-Haliburton Real Estate Board held its General Meeting on Tuesday, January 28, at the Bonfire Restaurant in Lindsay.

The highlight of the dinner meeting was the installation of the Officers for 1975.

The following officers were installed by Mr William Lowery, Region #7 Vice-President: Immediate Past President, Jim Cooper, Haliburton; President, Jack Huston, Lindsay; 1st Vice-President, Ken Sangster,

Fenelon Falls; 2nd Vice-President, Max Hughes, Bobcaygeon; Directors, Lynn Craigmyle, Haliburton, Les Smith, Bobcaygeon, Don Anderson, Lindsay.

Also, at this meeting a

motion was adopted to increase the number of Directors by two, because of the rapid growth of this organization, and the extra work load that such growth creates.

RENTAL GM LEASING

VERY LITTLE DOWN WHEN YOU LEASE A NEW CAR FROM US

That's because your deposit on a new lease car can be substantially less than what you'd put down to buy a new car. What's more, you'll never fret over what your lease car is worth at trade-in time because your car will never get too old.

Each monthly leasing payment also covers such costs of enjoying a new car as financing, depreciation, taxes.

There are other solid reasons for leasing a new Chevrolet from us. So, come on in. Let's discuss the lease plan . . . and that new Chevrolet . . . that fit your needs. And your pocketbook.

Trent University receives \$10,000 grant for library

A \$10,000 grant toward operation of Trent University's audio library program has been received from the Ontario Ministry of Colleges and Universities, Stewart Hayter, director of the program, said last week.

The audio library tapes texts for blind and otherwise handicapped students and works closely with similar libraries across Canada.

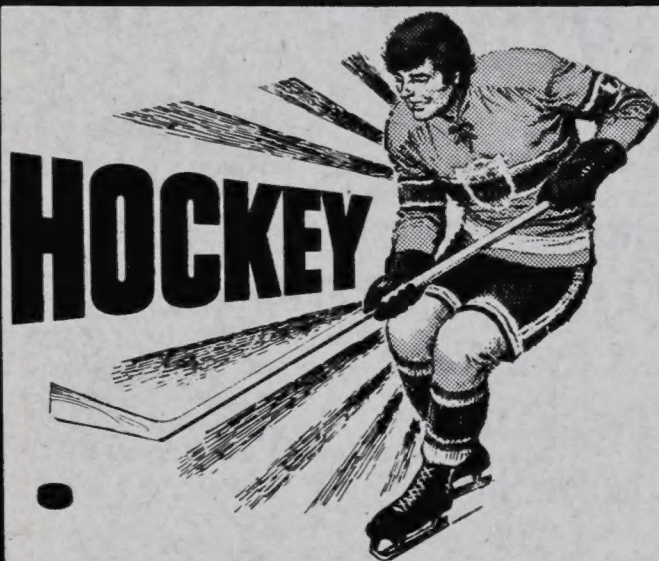

Mr Hayter said the ministry has offered a maximum of \$5,000 more through a dollar-for-dollar, matching grant. This would require private funding of at least that amount to achieve the \$20,000 required to operate the audio library to the end of March. Mr Hayter noted that an earlier provincial grant had been for the period to October 31.

Trent's audio library functions chiefly with volunteer readers, 83 of them, who have so far taped more than 300 texts.

Tenders needed

Tenders were advertised for the Ministry of Consumer and Commercial Relations on February 3 and 5 for the installation of a security system at the Registry Office, Minden, Ontario.

The estimated completion date is March 31, 1975.

Two appointments made to Sir Sandford College Board

The Ontario Council of Regents has announced the appointment of W.T. Lorne Coburn, of Minden, and Lt. Col. Harold R. Ferris, MBE, CD, of Cobourg, to the 12-member board of governors of Sir Sandford Fleming College.

College Board Chairman William Grant said the appointments were made following the retirement from the board of Minden resident Charles Brandon, who served a total of seven years, and J.S. Hinman, of Cobourg, who was appointed in December, 1972.

Mr Coburn is a retired Minden pharmacist. He has been active in community

affairs both in Minden and the County of Haliburton, including a total of 14 year's service as both a member and chairman of the Anson, Minden and Minden public school board.

Mr Coburn currently is a director of the Haliburton Guild of Fine Arts, and a member of the Haliburton County social planning group.

Mr Ferris was commander of the former Canadian Forces station in Cobourg before his retirement after 33 years of military service.

Very active in Cobourg Junior Achievement, Mr Ferris is executive director

of that organization as well as treasurer of the Cobourg Rotary Club. He is a past director of both Rotary and the Cobourg Golf and Curling Club.

Board members represent the major centres and areas in the College region, which includes Haliburton, Peterborough, Victoria and western Northumberland counties.

Current board chairman is W.C. Grant, of Lakefield, and vice-chairman is Mrs W.F. Clarkson, of Peterborough.

Other members include R.J. Curry, of Haliburton; John Eakins, Lindsay; W. J. Shields, Cobocok; R. H. James, Peterborough; Mrs N. M. Matheson, Lindsay; T. E. W. Nind, Peterborough; Henry Nokes, Peterborough; and J. A. Richardson, Peterborough.

Carnarvon news

Mrs Renouf spent the weekend with her parents Mr and Mrs Arch McKay. Mrs Renouf is from Toronto.

Mrs McPhail of Lindsay is a sister in law of Mrs Clayton Rogers had a week with Mrs Rogers.

Allison Chambers was in Ottawa last weekend, and her mother spent the weekend in Peterborough.

Mr and Mrs Jack Barnhart, Mrs Francis Thomas, and Mr and Mrs Albert Davis of Kirkfield were in Niagara Falls to see their sister Shirley who has been ill.

Mrs Hartley Newell is spending a few days with her parents Mr and Mrs Arch McKay.

Mrs Young is still in

Hospital in Peterborough, and if you would like to send her a card her room is 344 St. Joseph's Hospital.

WINTER FUN FOR EVERYONE

Bell Canada announces

Beginning Sunday, February 9, 1975 a charge of 25 cents will be made for each unnecessary call to Directory Assistance, Ken Witherden, Bell Canada Manager, reminded customers in this area.

Mr Witherden noted that in addition to Peterborough the charge is being introduced in the following exchanges: Apsley, Baileboro, Beaverton, Bethany, Bobcaygeon, Bridgenorth, Buckhorn, and Burleigh Falls.

Cameron, Campbellford, Cannington, Carnarvon, Cobocok, Dunsford, Fene-lon Falls, Gooderham, Haliburton, Hastings, Havelock, Kinmount, Kirkfield, Lakefield, Lindsay, Little Britain, Minden, Nephton, Norwood, Omeme, Warkworth, West Guilford, Wilberforce and Woodville.

"However", said Mr Witherden, "there is no need for any customer to ever incur Directory Assistance charges. Charges will be made only when a customer is provided with a number that is already listed in the telephone book. In addition there will be no charge for the first three chargeable calls a month from residence services.

"All calls from business telephones will be subject to the charge, when the requested number is listed in the customer's directory".

Special care has been taken to ensure that, upon application, persons whose disability prevents use of a directory and those 65 years of age and over, will be exempt from charges. In many meetings with government agencies and with organizations dealing with

the disabled, prior to preparing the application to charge for unnecessary calls, Bell explored the best methods of providing assistance at no charge to those customers who require it.

Most organizations which assist the disabled and the elderly have a supply of exemption application forms for their members. The forms also may be obtained from any Bell Canada business office.

"Any customer, who can't use a directory because of a disability, and those 65 and over, need only give us a call and we will mail the exemption form to them. Or, if a customer prefers to drop into our business office we can complete the form then and there," Mr Witherden said.

Other calls to Directory Assistance to be exempt

from charges include those placed from pay phones, from hospital, hotel or motel rooms and emergency calls. There is also no charge for long distance directory assistance service.

Introduction of the charge was requested by Bell Canada in light of the increasing volume of unnecessary calls to Directory Assistance. Of the close to 700,000 calls placed each day, throughout Ontario and Quebec, more than 70 per cent are for numbers already listed in the telephone book. Studies also show that 10 per cent of all customers place more than 50 per cent of the unnecessary calls.

As now devised, those who make unnecessary use of Directory Assistance will bear the cost of supplying this personalized service.

Protect your children against disease, through immunization.

This is what Ontario is doing to help you.

Immunization protects against polio, diphtheria, measles, rubella (German measles), whooping cough, smallpox and tetanus. Although often considered to be "childhood diseases," they are anything but minor—measles, for instance, can lead to encephalitis (brain disease), a cause of retardation!

Here in Ontario, the Ministry of Health provides the vaccines and your Ontario Health Insurance Plan (OHIP) pays a fee to the physician for administering them.

But the responsibility for immunization—for making sure your children are protected—is still up to you. Have your children immunized by your family physician. Or, for school age children, use school immunization programs provided by Health Units.

Immunization is quick and convenient—vaccines against several diseases are often combined. And the only way to control these diseases is to immunize as many people as possible.

Your Ontario Government is doing its share—by providing vaccines and paying for immunization through OHIP.

Do your share—make sure your children are immunized. Consult your family physician, public health nurse or local medical officer of health.

A free booklet on immunization is available, with a chart showing what diseases your children should be immunized against, and at what ages. For your copy, write to:

William Davis, Premier

Telephone Talk

by Ken Witherden
your Bell manager

You may be aware that Bell Canada is initiating directory assistance charging in the Haliburton, Minden, Gooderham, Wilberforce, Carnarvon and West Guilford exchange areas, starting February 9th, 1975.

I thought it might be helpful to review the plan and to stress that no one need ever incur an unnecessary charge. Most people use Directory Assistance only as a last resort, when the phone number they need is not yet listed in their directory. These necessary requests will continue to be free. It's the unnecessary calls we want to discourage to ensure reliable service for those who really need it.

That's why, beginning February 9th, 1975, there will be a 25 cent charge for each phone number provided by a directory assistance operator when the requested number is listed in your phone book. Every billing month, the first three such requests made from your residence phone will be free. After that, the charge will apply.

Necessary calls, for numbers not yet listed in your directory are still free. And whether the number is listed or not, there is no charge for anyone who has a disability that makes it difficult to use a directory or for persons 65 years or over.

If you qualify for an exemption, just call your Bell Canada business office and ask for a special exemption form. Also free are emergency calls and calls from pay phones, hotel, motel and hospital rooms.

In closing, I'd just like to repeat that you can avoid unnecessary directory assistance charges by looking in the book before calling. The number you need is probably listed. (In 1973, our directory assistance operators handled more than 220 million calls—more than 70 per cent of them were for numbers already listed in the phone book.)

It's also a good idea to keep emergency and frequently called numbers up-to-date in the space provided in the introductory pages of your directory.

Bell Canada

Minden W.I. meeting

The Minden Women's Institute held its February meeting at the Parish Hall with Mrs. M. Sears, President in charge. She welcomed the members and seven visitors. The Roll Call which was answered with a get-well card in a stamped envelope gave Mrs. Taylor an extra 28 cards. This will help a lot as she sent out 27

cards from December to January meetings.

Mrs. Lyman Cox gave a very interesting and stimulating report on the Area Convention at which she was a delegate in December.

Mrs. W. MacArthur gave a very up-to-date report on Current Events in the Area, during 1974 and as it was Centennial Year these were

many and varied, but very interesting.

The Spring Bus Trip was then discussed and a trip to Ottawa headed the vote with a trip to Rockton-Kitchener Area running a close second. The date for this trip was set as Wednesday May 28 and the place to which the bus will go, will be settled at the February meeting which will be held at the United Church Hall on Wednesday February 19 at 2 p.m.

If you wish to go on this trip and have a preference please attend.

Mrs. Ewing gave a reading entitled "I Wish Mommy didn't Smoke".

The meeting was closed with God Save the Queen and Institute Grace after which all partook of the delicious lunch, served by the Hostesses, at which we were pleased to have the Rev. D. Brown join with us.

Obituary

Dennis Trepanier

On Friday December 20, 1974, Dennis Patrick Trepanier, in his 75th year, passed away at the Peterborough Civic hospital.

He was born on March 17, 1900 in the Township of Elzevir, the eldest of four sons and one daughter of John Trepanier and Jennett Duquette. He was the last surviving member of this family.

In 1924 at Flinton, in the Township of Kaladar, he married Madeleine A. Brochu.

He resided in Minden from 1944, where he had been employed by Ontario Hydro, until his retirement in 1965.

During his lifetime he spent time in the logging, farming and mining industries. He had service also with the street railway in Buffalo, N.Y., the Bell Telephone Company of Canada and Ontario Hydro in the mid-twenties during

the construction of the Gatineau power transmission lines.

The late Mr. Trepanier rested at the funeral chapel of John Welch & Son Ltd., Minden until Monday, December 23, thence to St. Patrick's Church in Kinmount for Requiem Mass.

News from Minden

Sincere sympathy to the family and friends of the late Wallace (Buster) McKelvey whose funeral was since last week.

At the L.O.B.A. Card Party at the Orange Hall last Monday night winners were: for euchre, Ruth Kellett, Art Marton, Shirley and Bill Elcome and lone hands, Florence Robinson (on a cut). After the games all enjoyed a social time and

the delicious lunch served by the ladies.

Mr and Mrs Norm Harrison Sr. are away on a holiday in Florida.

Guest for the past several weeks with Mrs Wm. Cox was her sister Mrs Carrie Switzer of Burnt River.

This Saturday night will be the Kinetite Valentine Dance at the Recreation centre with dancing to

Walter (D.J.) a lunch and proceeds going to Cystic Fibrosis.

Mr and Mrs Phil Robinson spent last Tuesday visiting Mr and Mrs Noble Dunn in Lindsay.

Mrs Georgina Young of Kinmount is spending the winter in the Shorter house in our village.

The Guild of Fine Arts had a great showing of Arts and Crafts at the Municipal

Building and report is in that many of these were sold.

Weekend guests with the Milton Sears included Misses Judy and Susan Miles of Barrie and Sandra Sears of Willowdale.

Mr and Mrs George Savage and Shanon Suzanne of Toronto enjoyed the weekend with her parents Mr and Mrs Art Windsor.

There were Book Exchanges among the nine branches of County Libraries the past two weeks. Visit your Branch and see the new books available.

West Guilford

Miss Debbie Freeman of Schomberg, and some friends, visited with Mrs Marion Johnston, on the weekend.

Weekend guests with Mr and Mrs Wes Stata were, their daughter Sharon of Toronto, and Mr and Mrs Raymond Pack, and Scott and Steven of Oshawa. Sunday evening visitors were, Mr and Mrs Alfred Parish of Haliburton, Mr Jerry Wilson of Toronto, and Mr and Ms Bob Adams and Barbara.

A Bridal Shower, was held at the Centre, on Friday evening, for Miss Sherry Skitch, fiance of Mr Larry LaPorte. Over 30 ladies attended.

Mr Don Carter, and his finance, Miss Marie Mesner, were weekend visitors at their cottage, on Redstone Lake.

Mr and Mrs Murray Davis

of Vinemount, Mr and Mrs Steve Karas, and Mr and Mrs Robert Penfold of Hamilton, spent a nice weekend, snowmobiling at their Anne-Murray Ranch, on the Irish Line. They were very pleased to find that their good neighbour Mr Ken Piper, had plowed the lane, for them. Before leaving for home, they stopped in to visit Mr and Mrs Jack Barry.

There was a Baby Shower, last week at the home of Mrs Ethel Fader, for Mrs Linda Misco.

Several local ladies, visited with Mrs Bill Peck last week to help finish her quilt.

There were nine tables in play at the card party, in the Centre last Thursday night. Winners were: Ladies High, June Tripp; Ladies Low, Gail Metcalfe; Mens High, George Jones; Mens Low, Harry Henderson; Kitty, Alice Jones; Most Lone Hands, Annie Jones; Door Prize, Emily Schroter. The next card party will be on February 13.

MUNICIPALITY OF DYSART ET AL

NOTICE

IN THE MATTER OF THE MUNICIPAL ACT AND IN THE MATTER OF A PROPOSED BY-LAW OF THE MUNICIPALITY OF DYSART ET AL TO CLOSE THAT PORTION OF THE ORIGINAL ROAD ALLOWANCE BETWEEN CONCESSIONS SEVEN AND EIGHT, THROUGH LOT 26, IN THE TOWNSHIP OF DYSART.

NOTICE IS HEREBY GIVEN, pursuant to Chap. 284 Sec. 443 of the Municipal Act, that the Township Council of the Municipality of Dysart et al proposes to consider and if deemed advisable, to pass at its regular meeting to be held at the Council Chambers, Haliburton, Ontario, on Monday, March 3rd 1975 a By-Law to Stop Up and Close the following:

That portion of the original road allowance between Concessions Seven and Eight, through Lot 26, RD Plan in the Township of Dysart, all of which portion to be closed is outlined in red on a Plan of Survey made by H.C. Bishop, O.L.S. dated July 24th. 1961 attached to and forming part of this By-Law be closed and stopped up.

AND TAKE FURTHER NOTICE that before passing the said By-Law at its meeting to be held at the time and place above mentioned the Township Council of the Municipality of Dysart et al shall then and there hear in person, or by his Counsel, Solicitor or Agent, any person who claims that his land will be affected by the said By-Law and who applies to be heard.

DATED AT HALIBURTON this 20th day of January 1975.

Gems of Truth

ISRAEL'S GLORIOUS FUTURE

The future restoration of Israel is clearly a prophetic utterance and not one of mere speculation with vague and visionary reasonings of dreamers. The prophets of the Old Testament foretell the future of Israel in words so plain and simple that all those who believe Scripture to be none other than the Word of God are assured of their literal fulfillment. (Isaiah 46:9-10)

The Abrahamic Covenant remains despite disobedience and dispersion. Jehovah God will restore, He has said so. (Leviticus 26:44-45) Just as the dispersion prophecies were fulfilled so will the restoration utterances come to pass literally. How brazen the interpretation of some people and groups who say, "The Jews have had their chance, let them alone". Surely such ones are out of tune with the Spirit of Jesus and God's Word.

Read again such passages as aforementioned and the following which are by no means exhaustive. (Isaiah 11:11-12, Chapter 27:13, 43:5-7, 60:8-10; Jeremiah 16:14-15, 23:5-8, 31:10, 32:37-43, 46:27-28, Ezekiel 34:11-16, 25:31, 36:8-38, 37:21, 39:25, Hosea 2:19, 3:4-5, Micah 2:12, 4:6-7, Zechariah 8:1-8, 10:6-11, Romans 11:25-26). None of these passages can refer to the return from Babylonian captivity for at least three reasons. The final restoration is to be of all the tribes not only the two of Ezra and Nehemiah's day. It also is to be from all lands, not just Babylon. Again, when finally restored they are "Never

again to be scattered". (Amos 9:14-15).

Not only are the Jews to be restored to their land, but also to their God. Leviticus 26:40-43, Deuteronomy 30:1-8, Jeremiah 1:14-15, Ezekiel 34:22-31, Zechariah 12:10-14). However, before such restoration is accomplished the hand of God is heavy upon them in affliction and suffering and persecution. The end of this is not yet. Obedience is learned the hard way. (Micah 4:6, Jeremiah 16:18, 30:7, Ezekiel 20:35-37, 22:17-22, Zechariah 13:8-9, 14:1-5, Malachi 3:3).

Since the prophet Zechariah was a post-exile prophet special attention should be given to the words the Lord God put into his mouth. His prophecy was given after the two tribes had returned

to Palestine and can refer to no other time but a future day. The first coming of Jesus did not bring these into fulfillment. In Zechariah 10:6-10 there are nine "I wills" and they refer to none other than the days ahead when their King appears the "second" time. (Isaiah 11:11)

Such days will bring into fulfillment the words of Jesus in Matthew 24: 29-30, also Isaiah 24:23, Jeremiah 23:5-8, Zephaniah 3:15-18, Zechariah 14:4. Likewise will all the prophecies which speak of the Lord Jesus Christ as being King of the Jews (Luke 1:31-33) and as reigning in Jerusalem. (Isaiah 24:23) Not only will Christ be "King of the Jews" but also King over all the earth (Zechariah 14:9, Revelation 11:15).

Restored Israel will be a

blessing to all the earth and great spiritual benefits bestowed on all the nations set before the King (Matthew 25:31-46) as He reigns with the "Bride" at His side. (2 Timothy 2:12, Revelation 5:10).

SCRIPTURE MEDITATION: "Oh the depth of the riches both of the wisdom and knowledge of God! How unsearchable are His judgments and His ways past find out! (Romans 11:33).

Obituaries

Arthur Carew

One of the last survivors of a family which pioneered the lumbering business at Lindsay has died. Arthur William (Art) Carew died today at the Ross Memorial Hospital in his 78th year.

Mr Carew was the son of the late John Carew whose name was synonymous with the lumber industry in Victoria and Haliburton Counties for years. The John Carew Lumber Co. Ltd. was headquartered at its offices on the northeast corner of William and Francis Sts., until it went out of business some time ago.

In addition to carrying on the lumber business, Mr Carew was also identified with local legal matters in his capacity as a justice of the peace. He served for several years on the Ross Memorial Hospital's Board of Governors of which he was a former chairman.

Surviving besides his widow, the former Amy Weeks, are his daughter Clare at home; Anne (Mrs William Booth) and John, both of Toronto; Judy (Mrs Ian McDermid) of Halifax; and four grandchildren. A sister Hazel (Mrs Earl Sootheran) of Chapleau, also survives. He was predeceased by brothers Charles and Frank, and sisters Ann (Mrs Stanley Beal), Gert-rude (Mrs Leslie Frost) and Roberta (Mrs Cecil Frost).

Mr Carew is resting at the family residence, 155 William St. N., for service there at 11:00 a.m. Saturday followed by interment at Riverside Cemetery. As a remembrance donations to the Canadian Cancer Society are suggested and may be made at the Mackey Funeral Home.

Raymond Cruikshanks

Raymond Laverne Cruikshanks passed away at the Peterborough Civic Hospital on January 2, after a brief illness. He was in his 76th year.

Born at West Guilford on the 19th of March, 1899, the son of the late William and Ella Cruikshanks, he was a lifelong resident of Haliburton County with the exception of eleven years spent in Saskatchewan, from 1914 to 1925.

On June 2 1926, he married the former Francis Kathleen May Upton (May-mie) and took up residence at Cranberry Lake. They had eleven children, five daughters and six sons.

He was employed in the then thriving lumber business of this County until the International Cooperage Company moved into the area and at that time he became one of the initial employees of that company. Other than

for brief periods he remained with that Company until 1953. In 1954 the family moved to Camp Northland where he was employed as Caretaker until his death.

On February 11, 1962 his wife passed away. On April 1, 1964 he married the former Mary Elizabeth (Hague) Spring.

Left to mourn the loss are his wife and daughters and sons-in-law: Irene and Cecil Bailey of Haliburton, Pearl and Ivan Kernohan of Burlington, Thelma and Gordon Tough, Carol and Richard Bradimore, Gladys and Gary Wall, all of Oshawa and sons and daughters-in-law: Laverne and Eileen of Montreal, Royce and Iva of Port Credit, Irwin and Thelma of Cobocok, Jim and Eleanor of Hamilton, Sherman and Ila of Oshawa and Frank and Barbara of Whitby, two sisters Mrs E. Sipe of Haliburton, Mrs D. Dunseath and Ralph of Nipawin, Saskatchewan. Eighteen grandchildren also survive.

Funeral Service was from the John Welch and Son Funeral Home at Minden on January 4 at 1:30 p.m. and temporary interment at the Ingoldsby Vault with final resting place to be St. Stephen's Cemetery, Boskung. Pallbearers were the six sons.

Can IDB help you?

Halls Lake news

The Weatherman certainly co-operated to help make the long planned for Snowrama a big success. Bob Jennings reports that with the following volunteer workers everything here on Hall's Lake went off smoothly, no fatalities or accidents were reported and a great feeling of accomplishment and working smoothly together. A great group of men worked from 6 a.m. until 7 p.m. Sunday to patrol the trails and make sure everything went off well. The local men who assisted were Murray McGuire, Carl Sawyer, Larry Hewitt, Ross Misener, Cliff Skelding, Harvey Russell, Ron Wrightman, Bill Jamieson, George Attridge, Bud Green, Gordon Stiver and Jim Welch and of course Bob Jennings.

The ladies who assisted serving the food along with Noreen and Denny Farnsworth from Lorelea and their family were Elsie Montgomery, Doris Jennings, Ann MacKay and Jean Misener. Noreen was

so busy in her kitchen keeping the food in readiness she hadn't time to get out to the hut on the ice.

Stinson's doughnuts were served in great quantities. At present it is known that over \$17,000.00 has been pledged to the cause of Crippled Children through the Snowrama. Through the combined efforts of local people organizing the affair and the tourists helping out and taking part in the 100-mile trip Bob says it was a rip-roaring success. Congratulations to the Haliburton Snowmobile Association for taking on this project! Hall's Lake was a busy bustling centre of activity.

Ross MacDonald and Miss Lynda Johnston of Burlington visited his parents this weekend and enjoyed the wintery surroundings. Hamilton and Burlington still have no snow and the grass is quite green.

A pleasant evening was spent at the home of the William Gartshore's last Tuesday when the Annual

Vestry Meeting of St. Stephen's church at Boshkung was held at 7:30. The Rev. Douglas Brown was Chairman and gave an excellent report on his short time in the Parish. Vestry Clerk, Doreen Stinson gave the 1974 Report and was re-appointed Clerk. Mr Hart was absent but is being asked to remain as Treasurer, Mrs Norma Davies will remain as Envelope Secretary and Leonard Stinson was asked to remain as Rector's Warden and William Mole as Peoples' Warden for this year. Mr Norman Finney was appointed Deputy Warden. Miss Marjorie Johnson gave an excellent summary of the accomplishments of the Ladies' Guild for the year. They have a fund at present for the purchase of two

chairs for the Chancel. The lovely new red carpet in the church was a joint purchase by the Guild and the Church. It is hoped that many of the new people moving into our area will join the small congregation of St. Stephen's and enjoy the fellowship.

Mr and Mrs Gibson of Ancaster have been staying at the Don Hall cottage on this Lake for a two-week holiday and are certainly enjoying the trails.

We hope the sick and shut-ins around this Lake will soon be well again. Some have been laid up with that awful flu and some with other illnesses. Do hope you are on the mend now.

Club 35 has Art Hunt as its President again. Euchre Parties are every Monday evening at the Club House. Everyone is welcome. Next Party to be around St. Patrick's day in March. Watch for more on this.

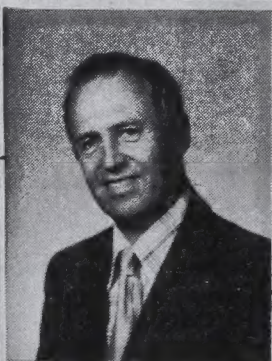

M.P. sets up offices in County

Speaking to the Rotary Club of Haliburton last Thursday night Bill Scott M.P. for Victoria-Haliburton announced that he was setting up offices in several parts of the riding.

There will be an office in Lindsay and an office will be

open one day a week in the following locations: Haliburton, Minden and Beaverton.

The opening of these offices will give all the constituents in the riding to drop into their nearest office with their problems.

In Memoriam

BARRY - In loving memory of a dear Father, Robert Closs Barry, who passed away February 5, 1969. Only a memory of bygone days, And a sigh for a face unseen, A constant feeling that God alone Knows just what should have been. We cannot halt the hand of time, Or live again the past; But within our hearts are memories That will forever last. Always lovingly remembered by "Your Family"

CRUIKSHANKS - In loving memory of a dear Mother and Grandmother Francis (Maymie) Cruikshanks who passed away February 11, 1962. Sadly missed along life's way Quietly remembered everyday. No longer in our life to share But in our hearts she's always there. Lovingly remembered by The Family.

SPILLENAAR - In loving memory of a dear daughter Verma, who passed away February 7, 1970 and a dear grandson, Philip Mintz who passed away December 3, 1966. They are gone but not forgotten They are safe in the arms of Jesus Safe on his gentle breast There by his love o'er-shaded Sweetly their souls do rest. Lovingly remembered by Father, Mother, Brothers and Sisters. Bert and Linda Mintz and Family.

In Memoriam

FRANCIS - In loving memory of our Mother and Grandmother, Lenora Francis who passed away February 3, 1973. Oft and oft our thoughts do wonder To the grave not far away Where we laid our loved one Just two years ago today. Always remembered by Ivan, Don and Ivy.

Thank-You

I wish to gratefully acknowledge the many expressions of concern and acts of kindness shown during my recent illness. Jean (Mrs Cecil Irwin.)

I would like to thank my friends and neighbours for their cards, good wishes and prayers while being a patient in the Toronto General Hospital. Mrs Rose Kernohan.

We wish to express our sincere thanks to the Royal Canadian Legion Branch 129 and members of the Legion, Haliburton Fire Department, Red Cross, Haliburton United Church, S.S. boys and girls, H.H.S.S. teachers and students, Pee Wee House League, coaches and players, Summer Fantasy Band, Pollards Store and staff, Paradise Lodge and staff. And a very special thanks to neighbours, friends and family. Bill & Marj Mackie and Family.

Mr and Mrs Bryan Teasdale wish to thank Dr. Chapman and nursing staff at Haliburton Red Cross Hospital also, Dr. Sheppard and maternity staff at Peterborough Civic Hospital on the safe arrival of their daughter.

MUNICIPALITY OF DYSART ET AL NOTICE

Council in Session January 13, 1975 have amended certain sections of the Animal Control By-Law, specifically fines, which will now be assessed at:

1ST OFFENCE - \$10.00 + COSTS

2ND OFFENCE - \$25.00 + COSTS

3RD OFFENCE - \$50.00 + COSTS

Further Bill 143 changes the Section dealing with dogs running at large. The said Section now reads as follows "For the purposes of this Section a dog shall be deemed to be running at large when found in any place other than the premises of the owner and not under the control of any person".

**PLEASE BE ADVISED
THAT THIS REVISED BY-LAW
WILL BE ENFORCED**
